### Get the Promo Code from your Order

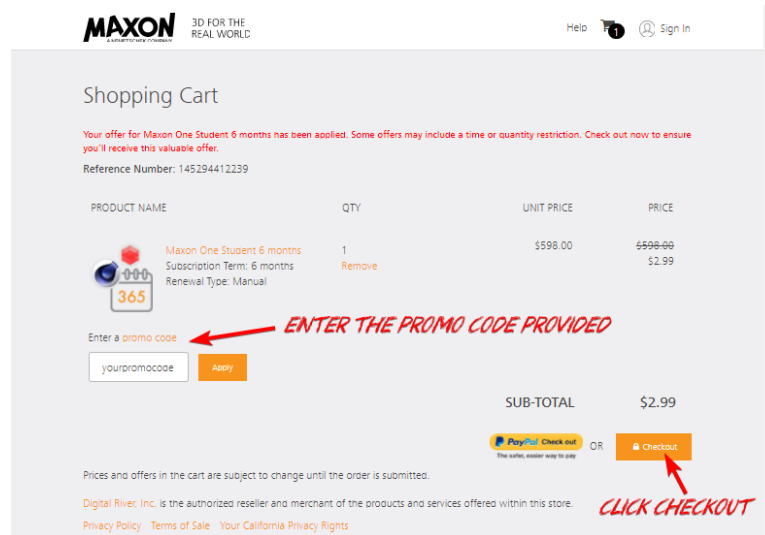

***If you have already closed the window*** with your Order Details Page, you can still access it by following the steps below:

- Go to your WebStore, sign in and click on the arrow beside your username (top-right corner), and then click **Your Account/Orders**.
- Click the **View Details** button next to the order to see the promo code for **Maxon One**.

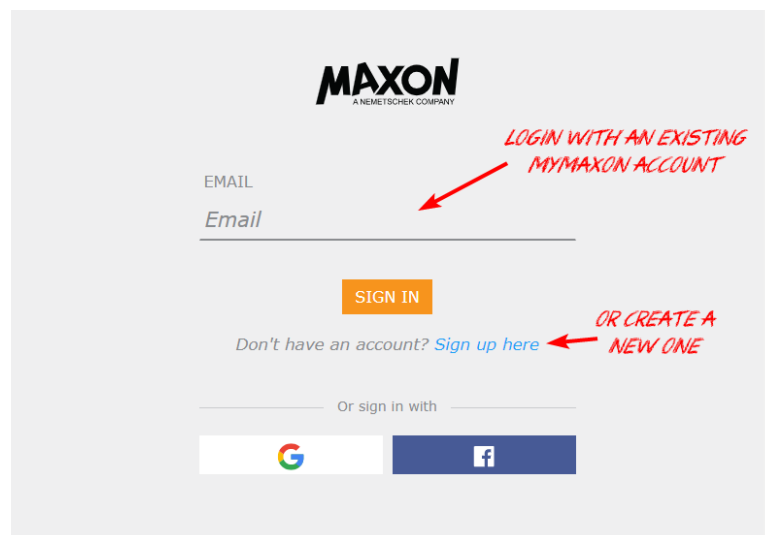

## Activate Promo Code and Create a MyMaxon Account

1. Follow the link provided by OnTheHub to Maxon's store.

2. Enter the promo code provided by OnTheHub. This will reduce the license cost to just the service fee.
3. Click **Checkout**.

### Checkout

1. Billing 2. Verify Order 3. Order Completed

SUBMIT YOUR ORDER

By submitting my order, I agree to the [Terms of Sale](#) and the [Privacy Policy](#) of Digital River Inc.

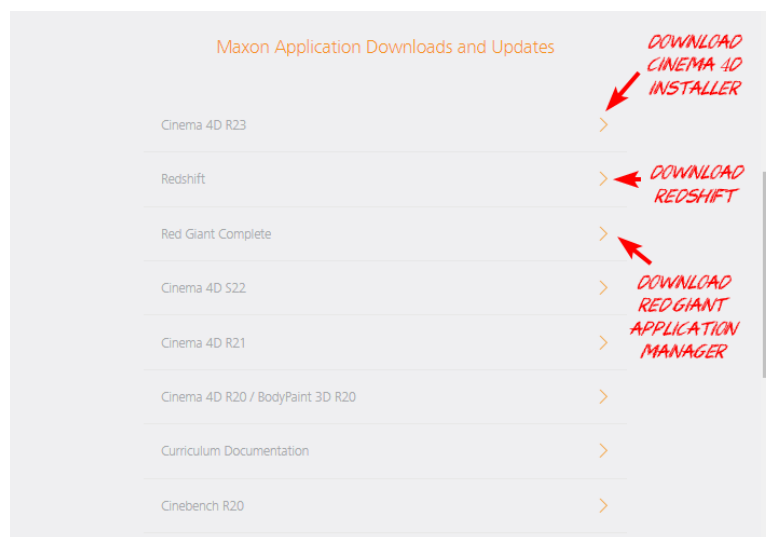

[Submit Order](#)

By submitting your order you acknowledge to pay the total price as stated.

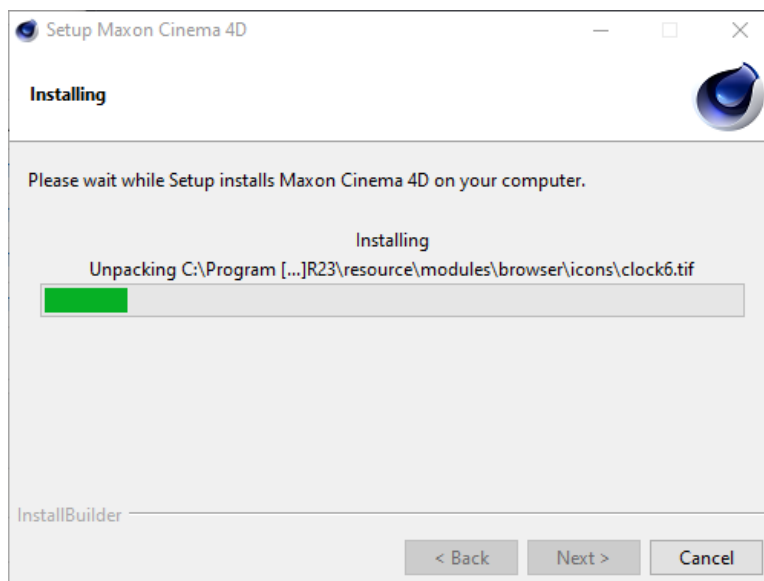

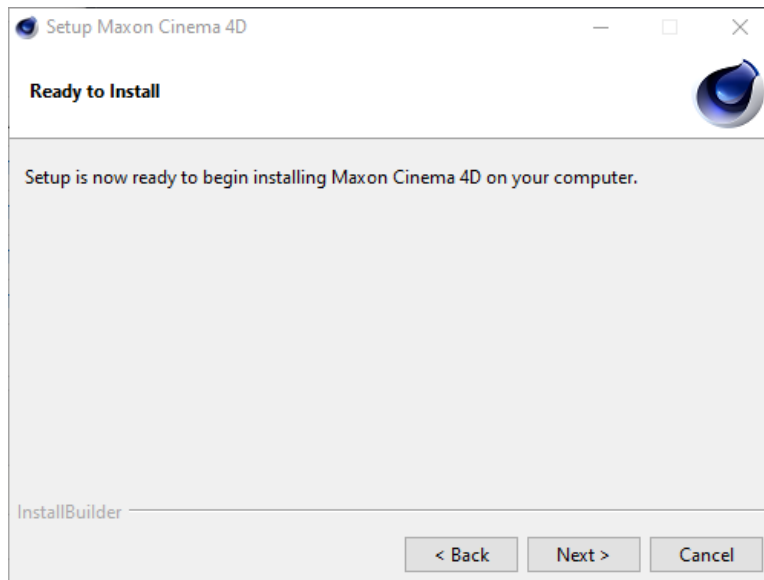

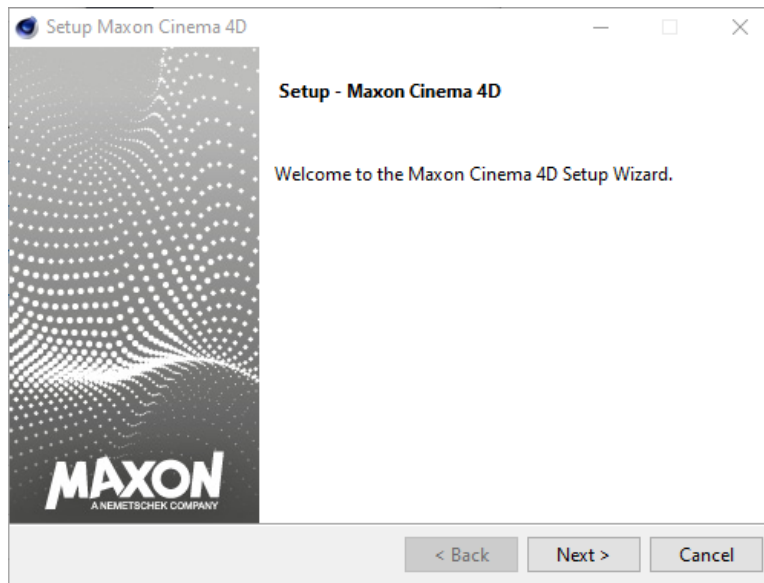

Digital River Inc. is the authorized reseller and member of the publisher and reseller network within this store.

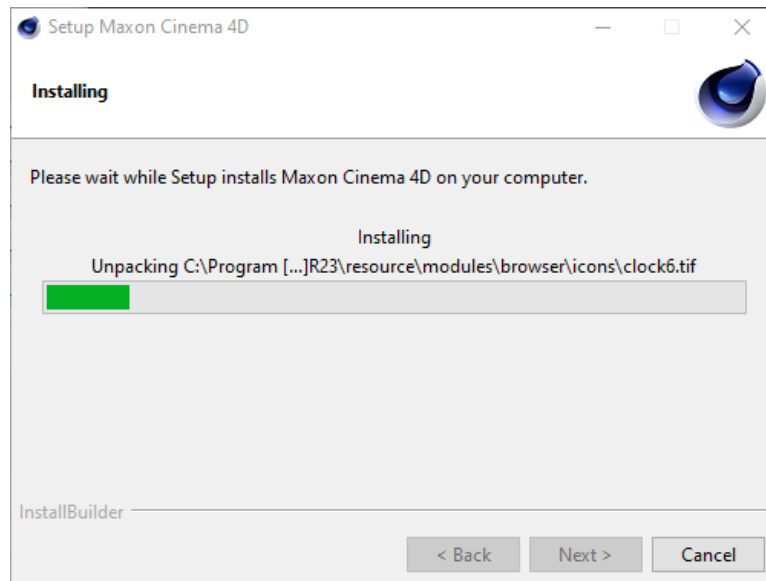

4. Enter **Billing** and **Payment Info**, and complete the purchase.  
Note: charges will appear on your statement as DR MAXON COMPUTER or Digital River.  
You will be charged applicable VAT / Sales Tax.

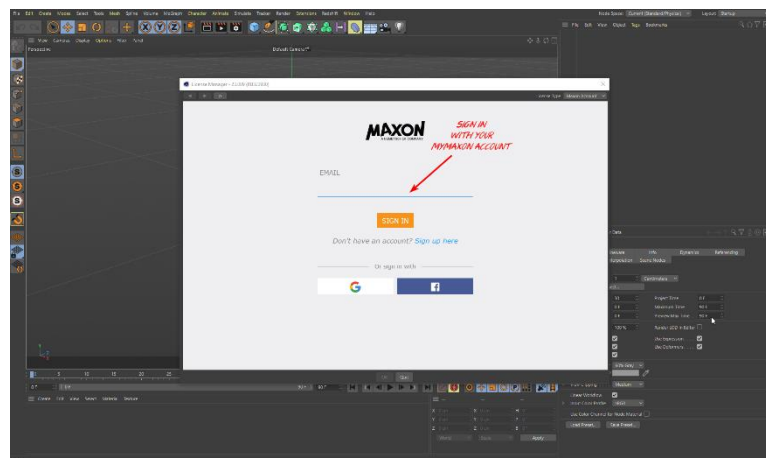

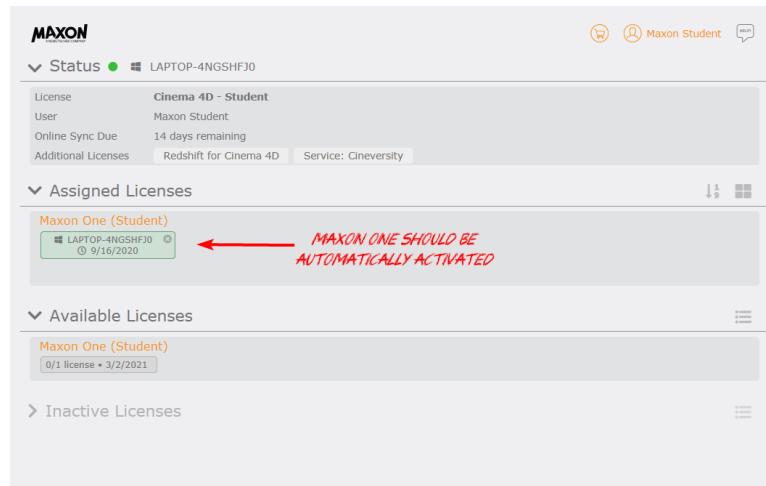

5. Visit <https://www.maxon.net/support/downloads> to download installers (this link is also provided in the confirmation email you'll receive).
6. You will need to download separate installers for **Cinema 4D** and **Redshift**, as well as the **Red Giant Application Manager**.

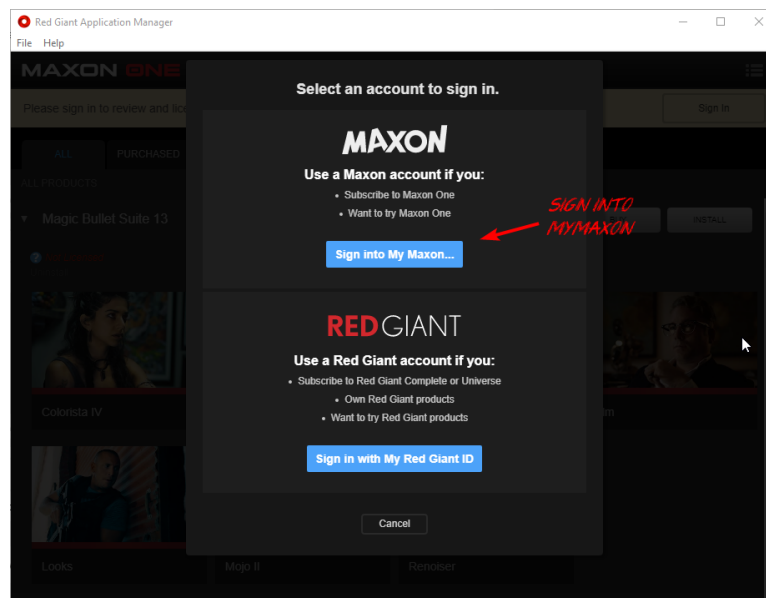

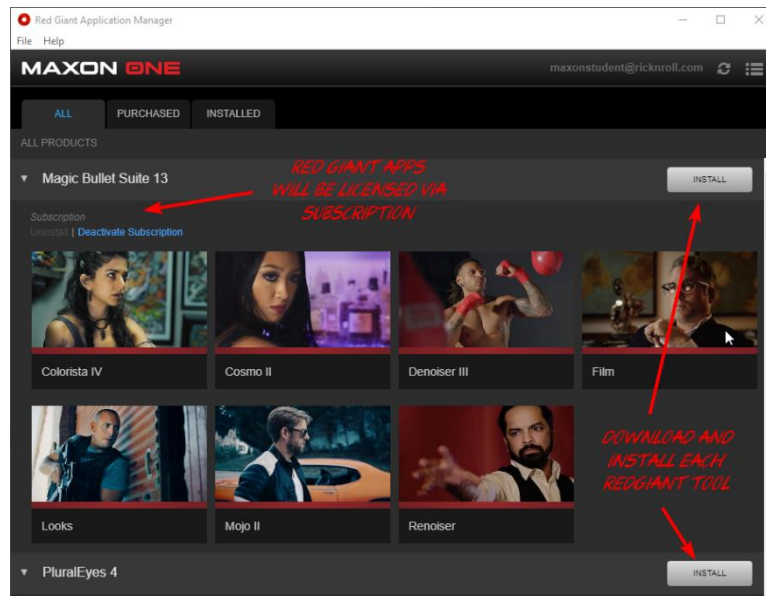

7. Standard installation for **Cinema 4D**.

8. After launching **Cinema 4D** you will be prompted to sign in to **MyMaxon**.
9. Your **Maxon One** license will be automatically activated. If it is not, click "Switch To".

10. Launch **Red Giant Application Manager**, and sign in via a **Maxon Account**.
11. After signing in, you will see Subscription under each licensed tool.
12. Click **Install** next to each tool you wish to install. Each tool's dedicated installer will download and launch. Complete the installation process.

**Notes:**

Cinema 4D: We recommend users start on Cineversity (<https://www.cineversity.com>)

Red Giant: We recommend users start on Red Giant tutorials (<https://www.redgiant.com/tutorials>)

Redshift: <https://youtu.be/gnC-LEI82Ho>
