

How to Activate IBM SPSS Statistics Using the License Authorization Wizard

1. Open the SPSS License Authorization Wizard.

To open the Wizard on Windows:

- i. Search your device for "SPSS License Authorization Wizard" (or "IBM SPSS Statistics Authorization Wizard").
- ii. Right-click the Authorization Wizard's icon and select Run as Administrator.
- iii. Sign in to your Windows account to launch the Authorization Wizard. **Note:** Your account must have full administrative privileges to run the Authorization Wizard.

To open the Wizard on Mac:

- i. In your Applications folder, open the folder called **IBM** (or **SPSS**), then open the folder named for the version of SPSS you are activating (e.g. **SPSS 27**).
- ii. Double-click the application **License Authorization Wizard** to launch the Authorization Wizard.
- 2. When the Authorization Wizard opens, select the option Launch License Wizard.

Activate IBM	M SPSS Statistics
Activate your subscription or trial	Activate with an authorization code or the License Manager Server
Login with IBM ID	Launch License Wizard
	or

3. On the License Status screen, click Next.

4. Select the option Authorized User License, and then click Next.

5. In the **Enter Code** field, enter the code you were issued when you ordered your SPSS software.

Click **Add** to add that code, then click **Next** to continue.
