# Minitab 19 Setup Guide

This document describes how to install and activate Minitab 19 after ordering it through your school's online store.

TO SET UP MINITAB 19:

1. Open the installation file for Minitab 19 that you downloaded from your school's online store.

   Note: If you downloaded the software to your default download location, it should be located in your device's **Downloads** folder.

2. Choose the language in which you want to install Minitab 19, and click **Next** to continue.

**Open Installation File**

Choose Language

3. Click **Next** again.

4. Read the terms of the Minitab 19 End-User License Agreement (EULA), then select **I accept the terms in the License Agreement and acknowledge the Privacy Policy** and click **Next**.

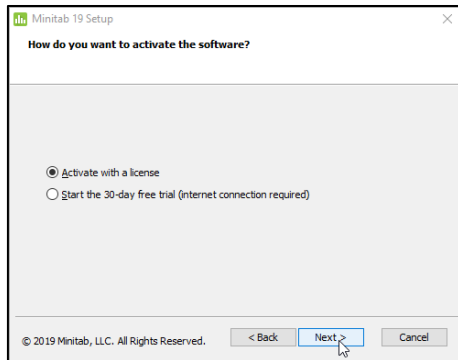

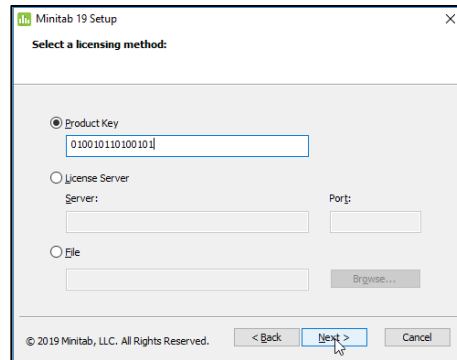

Click Next

Review EULA

5. When prompted to choose how you want to activate the software, select **Activate with a license**, and then click **Next** to proceed.

6. Select **Product Key** and enter the product key you were issued when you ordered Minitab 19, then click **Next**.

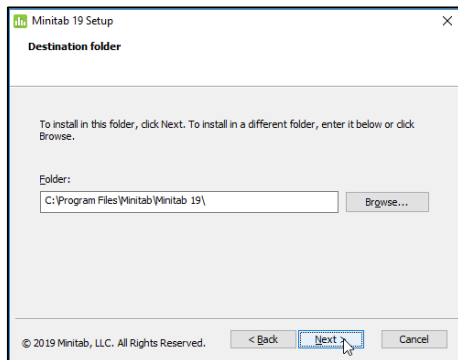

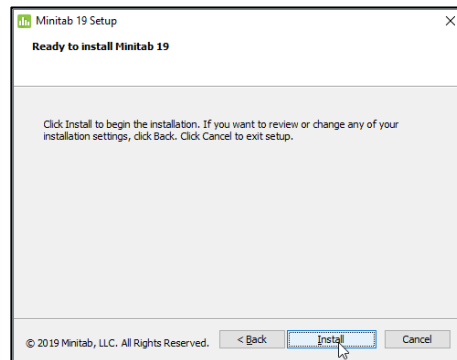

Activate with a License

Enter Product Key

> **Note:** Your product key can be found on the Order Details page to which you were directed when you placed the order. You can return to that page through the **Your Account/Orders** section of the online store.

7. Click **Next** to install Minitab 19 to the default location on your computer (*or* click **Browse** to select a custom destination).

8. Click **Install** to begin the installation.

Click Next

Click Install

9. Wait until the progress bar is full.

10. Click **Finish** to complete the installation and exit the Setup Wizard. You may be required to restart your computer before you can start using the software.

Wait While Software Installs

Click Finish

Note: You may be required to restart your computer before you can start using the software.
